

2019 SCHOLARSHIP OPPORTUNITY

DEADLINE MAY 1, 2019

NYS CHAPTER OF SWANA

In an effort to promote education and professional development to SWANA members and their families, the Solid Waste Association of North America (SWANA) has established the Grant H. Flint Scholarship Awards Program. Scholarships/Grants are available at the local SWANA level for all award Categories and at the national SWANA level for Categories I, II and III. In addition to Scholarship/Grants at the local level and National level the SWANA New York Chapter is expanding funding for the scholarship program to include private company sponsorship.

Applications will be accepted until May 1, 2019 and award(s) will be announced by June 4, 2019. Candidates selected for awards will be contacted directly by the Scholarship Committee.

Awards are determined based on a review of the SWANA New York Chapter Scholarship Committee. Awards are based on the overall achievements of the individual candidate, and not solely on academic performance.

Awards are offered in the following four categories:

- Category I –students entering their first year of college.
- Category IA –entering college sophomores.
- Category II –entering college juniors or seniors matriculating in a major focused on sciences, engineering, public policy, or other related environmental field.
- Category III –students enrolled in a graduate school program focused on the sciences, engineering, public policy, or related environmental field.
- Category IV - for New York SWANA Chapter members who are pursuing educational opportunities, training or professional development.

Application Forms

Candidates in Category I, II, or III should use the National SWANA application forms and instructions found at <https://swana.org/Awards/ScholarshipsInternships.aspx>

Candidates in Category IA or IV will not be eligible for participation in the National SWANA program and therefore should visit <http://swananys.org/scholarships/> to obtain a form.
